Embrace Wigan & Leigh provide advocacy and support for families who have a person with a disability in their life as well as individuals who themselves have disabilities. We support people to receive a good life, retain independence, choice and control of their future.

Our Community Fieldworkers/Keyworkers and Co-ordinators are happy to be available at New2You **for drop in sessions** with families (appointment only) for face to face support and help get your voice heard.

Our staff have extensive knowledge of disability, and in most cases are themselves parents of children and adults with sometimes complex needs. We are neither judgemental, nor dictate policy but are here to listen and support a family make informed decisions.
